

Table of Contents

No.	Title	Page
1	Taking Advantage of Single Patient Rooms as a Major Support for the Healing Environment System in Egyptian Hospitals <i>Adel Hussein, Mohamed Rabie, and Mohamed M. Mahdy</i>	1
2	Adapting Existing Hospitals for Infectious Disease Prevention and Control <i>A. S. Elsaadany and Khaled S. Ahmed</i>	6
3	Sustainable Urban Design of Urban Spaces in Residential Areas and Their Impact on Human Behavior <i>Amira Gaber, Walla Ahmed Elsayed Nour, and Marwa Ahmed Kamar Al-Dawla</i>	13
4	Benefits and Challenges of Integrating IoT, VR & AR in the BIM-based Facility Management Process: Literature and Case-based Analysis <i>Ahmed Omar M.S. Mostafa and Ahmed Yasser M. M. Alaqueeli</i>	25
5	Health Promoting Qualities Framework for Blue and Green Landscapes: Applying Perceived Restorativeness on a Case Study of Nile Riverfront in Greater Cairo Region <i>Sara Tarek</i>	41
6	BIM & BEM for a Net Zero Energy House Model Case Study: A Housing Unit in Riyadh, SA <i>Ahmed Omar M.S. Mostafa and Raghad Ahmad Aljarboun</i>	56
7	The Ladder of Emotional Mapping: Visualizing Emotions for Planning Inclusive Cities <i>Mennatullah Hendawy, Maria Carmela Valverde Gonzales, and Hend A. Elhawy</i>	67
8	How Does The Interior Design of Learning Spaces Impact The Students` Health, Behavior, and Performance? <i>J. Q. Shaymaa El-Sayed Gad, Walaa Ahmed Nour, and Marwa Kamer El Dawla</i>	74
9	Setting an Agenda for Urban AI Adaptivity in Urban Planning and Architecture E-learning <i>Somaya Kayed, Lamiaa Ghaz, Farah Elbehairy , Ahmed Ghonim, and Mennatullah Hendawy</i>	88
10	Characteristics of Iconic High-rise Buildings <i>Tarek Gaber, Ibrahim Maarouf, and Amira A. Fathi</i>	97
11	Sustainable Urban Quality-of-Life in Neighborhoods: Bridging the Gap between Satisfaction and Performance in Four Types of Neighborhoods in GCR - Egypt <i>Islam Ghonimi</i>	105

12	Transformation of Architectural Qualities in Old Cities in Oman over a Decade <i>J. Q. Mariam Ebeid</i>	122
13	Influence of Landscape Elements on Visual Design Elements in Order to Enhance the Visual Quality of Urban Spaces <i>Mona Y. Shedid and Noha H. Hefnawy</i>	127
14	Health Justice: The Entanglement of Quality of Life and Neoliberalism <i>Rana Hammam, Salma Anwar, and Mennatullah Hendawy</i>	135
15	The Role of Human Needs in Urban Renewal and Development of Urban Spaces for City Centers <i>Elham Fettouh El-Dmerdash, Walaa Ahmed Nour, Marwa Kamar Al-Dawla</i>	143
16	The Proportions Code and the Environmental Aspects as a Design Generator for the Minarets in Cairo of the Mamluks <i>Abdullah Mossa Alzahrani and Ahmed Ali Ahmed Gaber</i>	158
17	كفاءة الطاقة في المباني - التقليل من احتياجات المبنى من التبريد Reduction of Cooling Energy Needs for Buildings م. حنان حسن علي عرفات	169
18	تأثير البعد الاجتماعي على الكفاءة العمرانية "رؤية لتحقيق جودة الحياة بالمدن الجديدة" The Impact of the Social Dimension on Urban Efficiency: A Vision to Achieve Quality of Life in New Cities د/ مروة عاطف عبد الهادي - م/ عبير طارق القباني	177
19	التأثير التبادلي بين التصميم وسلوك المستخدمين تطبيقاً على الفراغات العامة The Complementary Effect between Design and User Behavior in Application to Public Spaces أ.م.د أيمن عبد الحميد أمين - أحمد محمد سعيد السعدني	187
20	السياحة البيئية وأثرها على التنمية الاقتصادية في النوبة في إطار خطة الاستدامة (دراسة حالة للارتقاء بمستوى معيشة السكان وتحقيق الاستدامة من الإمكانيات والثروات الطبيعية) - (جزيرة هيسا - أسوان) Ecotourism and its impact on economic development in Nubia Within the framework of the sustainability plan (A case study to raise the standard of living of the population and to achieve sustainability through the use of natural resources and capabilities) – (Heissa Island – Aswan) أ.د./ إيمان محمد عيد عطية - م/ وسام قدرى الشرقاوي	196
21	التقنيات الرقمية لإحكام الجداول الزمنية لمشاريع التشييد - تحليل مبنى على المراجعات الأدبية للإتجاهات والتحديات	207

	Digital Technologies to Enhance Construction Schedules - Literature-based Analysis for Trends and Challenges أحمد عمر محمد سيد مصطفى - محمد سليمان الجارالله	
22	The Relationship between Urban Design and The Social Sustainability of Public Urban Spaces: Case Study (Gardens) <i>Taqwa Mohamed Sobhy , Marwa Ahmed Kamer Al-Dawla, and Walaa Ahmed Elsayed Nour</i>	218
23	مواد البناء الذكية نحو مباني بيئية صحية - (دراسة حالة: وحدة المرضى بالمستشفيات) Smart Building Materials Towards Environmental Healthy Buildings - Case Study: Inpatient Unit in Hospitals <i>Marwa Ahmed Kamer Al-Dawla, Nawal Nasser Shabaka, and Mai Wahba Mohamed Madkour</i>	231
24	نمذجة معلومات المباني والمحاكاة الرقمية لتقييم بدائل تحسين الأداء الحراري لنوافذ واجهات المباني - حالة دراسية: وحدة سكنية بمدينة الرياض BIM and Digital Simulation in Assessing Window Alternatives for Enhancing Heat Performance of Building Facades - Case Study: A Housing Unit in Riyadh, SA أحمد عمر محمد سيد مصطفى - يسر قسم الله محمد رشوان	249
25	تقنيات الخامات وتأثيرها في المعايير التصميمية للمباني الثقافية Material Techniques and Their Impact on the Design Standards of Cultural Buildings شيماء عبد المجيد عبد المجيد إبراهيم - هبة محمد موسى القرني	258
26	Transparency in Architecture and its Mutual Effects Between Built and Natural Environment <i>Adel Abbas, and Khaled Dewidar</i>	309
27	The Search for a New Theory of Sustainable Architectural Design: Breathing Architecture <i>Tamer Anwer El Gabaly , and Rasha Said Abd el-Lateef</i>	319
28	Integrating the Principles of Lean Management into the Design Process of Green Tall Buildings <i>Pensee Tarek, Laila M Khodeir, and Ahmed A Faggal</i>	326
29	Voronoi Diagram Applications Towards New Sustainable Architectural Language <i>Adel Abbas</i>	332
