

In the article titled “Histological and Biochemical Study on the Estrogen Role in Indomethacin-induced Gastric Ulcer of Menopausal Rats”, published on pages 146-161, Issue 2, Volume 2 of Journal of Medical Histology^[1], the English title of the article was written incorrectly as “Histological and Biochemical Study on the Estrogen Role in Indomethacin-induced Gastric Ulcer of Menopausal Rats” instead of “Estrogen supplementation role in the treatment of indomethacin-induced gastric ulcer of ovariectomized rat (Histological and Biochemical study)”.
