ISSN

(Online) 2836-3402
(Print) 2735-427X

SVU-International Journal Of Medical Sciences
The official Journal of Faculty of Medicine- South
Valley University
Volume 8 (Issue1)
January-June, 2025

Chairperson
Editor-in-chief
Managing editor
Editorial Team

Prof. Ali Abdelrahman Ghweil
Prof. Mohammed Hosny Hassan
Prof. Ahmed Hashem Abdellah

: Prof. Hamdy M. Hussein
: Prof. Ahmad Abolyosr
: Prof. Abdel-Rahman Abdel-Hamed Elsayed
: Prof. Salah Aseda
: Prof. Karam Mosallam
: Prof. Mohammed saad abdel-rahman
: Prof. Mohamed Ali Bedaiway
: Prof. AbdelNase AbdelGaber
: Prof. Uttam Budhathoki
: Prof. Ayman Mahdy
: Prof. Yacoub Khalaf
: Prof. Ahmed El-Abd Ahmed
: Prof. Hanan Mahmoud Fayed
: Prof. Spasoje Popevic
: Prof. Nilesh Patil
: Dr. Mohamed Wael M. Mustafa
: Dr. Heba Ahmed Osman
:Dr. Nezar Abo-Halawa
: Dr. Emad Abdel-Kahaar

Editorial Committee

: Staff members of Faculty of Medicine- South Valley
University

Published By

**: Faculty of Medicine - South Valley University –
Qena-Egypt**

ISSN

: Online (2636-3402)

: Print (2735-427X)

Contents

Volume 8, Number 1, January-June, 2025

<i>Title</i>	<i>Page</i>
• Assessment of the Relationship between Vitamin D Status and Graft Function in Living-Related Kidney Transplant Recipients	1
• Adenosine deaminase activity and ADA G22A gene polymorphism among a cohort of Egyptian patients with pulmonary and extra pulmonary tuberculosis	12
• Clinical, Laboratory Characteristics, Comorbidity and Function in Elderly patients with Rheumatoid Arthritis	27
• Comparative Study of the Effect of Risperidone Versus Quetiapine on Relief of Agitation, Psychosis and Delirium developed in Moderate Traumatic Brain Injury Patients	39
• Different Grey scale and Color Doppler Ultrasonographic Fetal Parameters in Prediction of Fetal Lung Maturity and its correlation with Neonatal Outcome	55
• Role of Iron in Improving Attention Deficit Hyperactivity Disorder in Children and Adolescents	71
• Evaluation of Pelvic Floor Dysfunction in Women Using 3D Transperineal Ultrasound at South Valley University Hospital	80
• Toll-like Receptor 4 Polymorphisms (rs4986790, rs4986791) and Serum Tumor Necrosis Factor Alpha levels in Chronic Obstructive Pulmonary Disease and Lung Cancer	93
• TACC3 as a Prognostic Marker in Breast Carcinoma, an Immunohistochemical study in Qena University Hospitals	104
• Perinatal Outcome of Vaginal Delivery induced by Prostaglandin E2 at low Bishop Score	117
• Role of Quantitative EEG as a Predictor for Cognitive Impairment in Chronic Bipolar Patients	126
• Effects of serum leptin level and combined pharmacological treatments on obese women having premenstrual tension syndrome: A randomized controlled trial	141
• Optical Coherence Tomography Angiography After Ranibizumab and After Macular Laser Treatment for Diabetic Macular Edema	148
• Prognostic role of TAB3 and PIM1 protein expression in Papillary Thyroid Carcinoma	158
• Histological and Immunohistochemical changes induced by exposure to different doses of silver nanoparticles in Liver and Lungs of adult Albino rat	170
• Effect of Magnesium Sulfate or Dexamethasone on Postoperative Analgesia in Ultrasound-Guided Quadratus Lumborum Block in Pediatric Lower Abdominal Surgery	185
• Effect of Different Techniques of Cervical Immobilization on Intracranial Pressure in Healthy Volunteers: Observational Study	194
• Utility of Bowel Ultrasound and Elastography in assessment of Ulcerative Colitis activity and response to treatment	201
• Gender-wise variations in the Correlation between Anthropometric Indices and Cardiovascular Disease Risk Factors	222
• Oncoplastic Volume Displacement Approaches in Breast-Conserving Surgical Procedures for Breast Cancer Patients	235

• Medullary thyroid cancer (MTC): Risk Factors for Recurrence and Prognostic Variables that Influence Outcome	249
• Ilizarov fixator versus plates and screws for treatment of high-energy tibial plateau fractures	262
• Accuracy of Different Ultrasonographic Parameters for Assessment of Fetal Weight in Term Pregnancy: A Cross-Sectional Study	276
• Vaccination Coverage among Children Under-5 Years of Age in El Quseir City, Red Sea Governorate	287
• Role of transvaginal Ultrasound in assessment of Fallopian Tubes Patency using Hysterosalpingo-Foam Sonography (HyFoSy) in Infertile patients; A randomized controlled study comparing HyFoSy with Hysterosalpingography (HSG) for tubal patency testing	296
• Human Umbilical Cord Blood Mesenchymal Stem Cell Isolation and Differentiation into Neuronal Cells: An In Vitro Experimental Study	308
• Comparison of Dexmedetomidine versus Ketamine during Laparoscopic Cholecystectomy Regarding Intra-operative Vital signs and Post-operative pain	321
• Outcomes of Implementation of Enhanced Recovery after Surgery in Gynecological Oncology	336
• Study of the 16s rRNA gene sequences of Gut Microbiome in some Egyptian Patients with Colorectal Cancer	351
• Decoding Epilepsy: The Added Value of Magnetic Resonance Diffusion Tensor Imaging and Fiber Tractography in Conventional MRI-Negative and Positive Patients	365
• Frequency and Impact of Helicobacter Pylori Infection on Glycemic Control and Insulin Requirements among Children with Type 1 Diabetes Mellitus	378
• Mitigative Effect of L-Carnitine and Simvastatin against Dexamethasone Induced Hepato-renal Damage in Rats: "Biochemical, Antioxidant, Histological and Immunohistochemical Insights"	388
• Evaluation of Macular Thickness by Optical Coherence Tomography (OCT) before and after Neodymium-Yttrium Aluminium-Garnet (Nd: YAG) Laser Capsulotomy for Treatment of Posterior Capsular Opacification (PCO) after Cataract Surgery	405
• Atrial Fibrillation as an independent risk factor for CKD progression	417
• Comparative Study between Serum Collagen Type-II and Matrix Metalloproteinase III in Identifying Early Osteoarthritis among Atraumatic Knee Joint Pain Patients Attending Pain Clinics	431
• Culprit Only versus Total Revascularization in Acute Coronary Syndrome Patients Presented with Cardiogenic Shock with Multivessel Disease	444
• Does Speckle Tracking Echocardiography Predict Left Ventricular Dysfunction in Patients with Severe Mitral Regurgitation?	452
• Leptin in Vitiligo: An Exploration of its Role in Disease Pathogenesis	459
• Al-hijamah did not decrease red cell mass or hemoglobin in polycythemia rubra vera (in agreement with Taibah theory): A case study and concise therapeutic note	470
• Prevalence of Hepatitis B Virus in Blood Donors born before and after the Implementation of Universal Hepatitis B virus Vaccination in Egypt at Qena University Hospital	481
• Role of Intercellular Adhesion Molecule -1 in Acne Vulgaris patients: Effect of Montelukast therapy	493
• Prevalence of Dry Eye Disease in Children and Adult with Chronic Ocular Allergy in Upper Egyptian Population	511
• Ultrasound-Guided Quadratus Lumborum Plain Block versus Fascia Iliaca Block for Postoperative Pain Relief in Patients Undergoing Hip Surgery under Spinal Anesthesia: Randomized Comparative Study.	521

• Immunohistochemical Expression and Potential Value of c-MYC in Non-invasive and Invasive Mammary Carcinoma	535
• Can serine Hydroxy Methyl Transferase-1 gene Polymorphism (rs1979277) predict the Risk and Severity of Parkinson's disease? A case-control study	545
• Comparative Study between Continuous Spinal Anesthesia versus General Anesthesia in Patients with Sepsis	554
• Endoscopic Common Bile Duct Stone Clearance during Pregnancy: Challenges and Solutions A Retrospective Cohort Study	564
• Intrathecal Bupivacaine – Dexmedetomidine Compared to Intrathecal Bupivacaine - Neostigmine in Elective Caesarian Section: A Randomized Controlled Trial	576
• Effect of Tramadol versus Ketamine on Post-Spinal Anesthesia Shivering in Lower Limb Surgeries	586
• Which can predict Pregnancy-induced Insulin Resistance and Gestational Diabetes Mellitus; Glycated Albumin or Glycated Hemoglobin?	600
• Elastic Stable Intramedullary Nailing (ESIN) versus Plating in Pediatric Subtrochanteric Femur Fractures	613
• Gender Differences in Prediction of Cardiovascular Risk in Newly Diagnosed Type 2 Diabetics: A cross sectional study	623
• Histomorphological Spectrum of Nephrectomy Specimens with Special Reference to Renal Cell Carcinoma: A ten year Institutional Study from Central India	633
• Hepatitis B Surface Antibody Titer in Family Members of Patients with Chronic Hepatitis B Infection	641
• Role of Ultrasonography in the Diagnosis of Vocal Cord Lesions in Comparison to Laryngoscope	651
• Clinicopathologic Significance of Fascin Expression in Different Grades of Gliomas	660
• The Epidemiological Study of Female Breast Cancer in relation to age groups In Qena Governorate	667
• Role of Venous Doppler Ultrasound in Evaluation of the Incidence of Deep Venous Thrombosis (DVT) in Lower Limbs after COVID 19 Infection	677
• Evaluation of the Functional Outcome of Frozen Shoulder Managed by Hydraulic Capsular Distension -A Prospective Study	686
• Cardiac Abnormalities in Nonalcoholic Fatty Liver Disease: Echocardiographic and Tissue Doppler Imaging Assessment	694
• Single Staged Bipaddled Pectoralis Major Myocutaneous Flap Reconstruction - Revisiting a Standardized Option in the Era of Free Flaps	711
• Maternal and Perinatal Outcome of Post Covid 19 Infection at Qena Governorate	721
• Comparison between Aminophylline & Neostigmine/Atropine in Post Puncture Headache of Spinal Anesthesia in Caesarian Section	730
• Spontaneous Supratentorial Intracerebral Hemorrhage: Management Outcome	741
• Frequency, Clinical Characteristics, and Risk Factors of Nonalcoholic Fatty Liver Disease in Lean Individuals attending Qena University Hospital	755
• Epidemiological study of Gestational Diabetes Mellitus among Women attending the Obstetric Outpatient Clinic at Qena University Hospital	766
• Correlation of Albuminuria and Renal Doppler Indices with Myocardial Function in Patients with Nephrotic Syndrome	775
• Role of Plasma Janus Kinase 2 in Assessment of Disease Activity in Ulcerative Colitis	785
• The Predictive Role of Cell Cycle Marker Tumor Protein 53 (TP53) in the Pathophysiology and Biological Behavior of Urinary Bladder Cancer	797
• Impact of Vitamin D Treatment versus Sporting Exercises on Irisin Level in Vitamin A-Induced Osteoporosis in Male Rats	810
• Galactin-3 Protein Expression in Follicular Adenoma, non-invasive Follicular Tumor with Papillary Nuclear Features and Follicular Variant Papillary Thyroid Carcinoma	822

• A Case of Anxiety Alleviated by Diet: The Overlooked Connection in Celiac Disease	830
• Uniport versus Two-Port Video-Assisted Thoracoscopy in the Management of Retained Traumatic Hemothorax	835
• Dapagliflozin's Impact on Cardio-Renal Outcomes in Critically Ill Type 2 Diabetes Mellitus Patients	842
• Upregulation of Mast Cells Degranulation and Anaphylaxis Biomarkers via Substance P and Calcium Ionophore: Possible implication in Extracellular Allergic Disease	852
• Dorsal Bridge Plating versus Volar Locking Plate Fixation for Management of Unstable Distal Radius Fractures	866
• The Efficacy of Guided-Growth Hemiepiphysiodesis Using 8-plate in Management of Knee Deformities in Children near Skeletal Maturity	874
• Effect of Peripheral Nerve Blocks as anesthetic adjuvant with Spinal versus General anesthesia on pain control and early postoperative discharge	884
• Biological and Psychosocial Study of Self Harm in Borderline Personality Disorder	895
• Intra-abdominal Hypertension in Critically Ill Patients in The Intensive Care Unit: Measurement & Early Management	913
• Clinicopathological, endoscopic and serological patterns of Celiac disease in children: A retrospective study from a Tertiary Center in Upper Egypt	927
• Depressed Fracture Over Superior Sagittal Sinus: Management Outcome In Qena University Hospitals	938
• Correlation between Serum Prostate-Specific Antigen Level with Pathological Grade and Size of Prostate in Prostate Cancer Patients	949
• Biventricular Non-Compaction with Right Ventricular Thrombus in an Infant	960
• Investigating the Impact of HNF1-A Gene Exon 5 Mutations on Suspected cases of Maturity Onset Diabetes of the Young type three in Egyptian Children	965
• Effects of the Massive Blood Transfusion in Obstetrics	978
• Optimizing MRI Detection of Recurrence in Head and Neck Cancer: The Clinical Impact of NI-RADS Post-Treatment	989
• Poisoning among Children in Qena University Hospital: Retrospective Study	1000
• Comparative Study between Transnasal Sphenopalatine Ganglion Block versus Nebulized Dexmedetomidine for Treatment of Postdural Puncture Headache after Inguinal Hernia Repair: A Randomized Controlled Trial	1014
• Occupational Exposure to Blood-borne viruses among Healthcare Professionals in a Tertiary Hospital: present and past trends	1026
• Cesarean Section Rate according to Rhobson system classification at Qena University Hospitals	1035
• Expression of PD-L1 Molecule in Hypopharyngeal and Nasopharyngeal Carcinomas	1053
• Assessment of knowledge and practices of Healthcare Workers in the field of IPC and Control in healthcare in Egypt	1064
• Retrospective Cohort Study of How the Interval of Recurrence Affects The Survival in Head and Neck Squamous Cell Carcinoma Patients	1075
• Neutrophil-to-Lymphocyte Ratio as a Marker for Eradication Failure of Helicobacter pylori	1089
• The Interplay between Serum Adipocytokines and the presence of Uterine Leiomyoma and the severity of the presenting manifestations	1102
• Expression of Antinuclear Antibodies and Their Nuclear Pattern in Patients with Acute Leukemia	1114
• Immunohistochemical Expression of Epithelial Cell Adhesion Molecule (EpCAM) in Epithelial Ovarian Carcinoma	1127
• Assessment of Arm Lymphedema After Once-weekly Hypofractionated Radiotherapy for Breast Cancer Patients in Qena University Hospital	1137

• Clinical Outcomes of Intrastromal Corneal Ring Segments Implantation with a New Nomogram Based on Cone Location and Q-Value in Keratoconus Patients	1148
• Serum Levels of Plexin B2 in Psoriasis: A case-control study	1164
• Role of Magnetic Resonance Imaging in Characterization of Posterior Cranial Fossa Masses	1172
• Elastic Stable Intramedullary Nail (ESIN) versus Plating in Adolescent Forearm Fractures: A Randomized Controlled Trial	1183
